

St. Bernadette School Alumni

Congratulations! Alec Gilmore

Lancaster HS Class of 2018

Alec began his education at St. Bernadette School. His fondest memory is the 5th-grade send-off, which included the butterfly release, and 5th grade video, summarizing the class's elementary years. Alec believes the faith-based education and committed staff at St. B provided the basis of his character building and friendships. He appreciates the great educators and core learning from his primary years.

Alec He will attend OSU College of Engineering—Biomedical or Aeronautics. He has applied for the Scholars Program.

Alec is an accomplished swimmer, not only on his high school team, and private teams, but also at the State level. He ranks academically at the top of his class, and holds AP honors.

Alec supports his community through Big Brothers-Big Sisters, Fairfield AEYC and First Methodist and Granville Presbyterian Churches.
