

St. Bernadette School Alumni

Congratulations! Braeden May
Brookwood HS Class of 2018

Braeden began his education at St. Bernadette School. His favorite memories of St. B are being an altar server, 4th grade Star Student, and 5th grade Camp.

Although Braeden didn't continue with Catholic Education after St. Bernadette, he believes that the strong foundation of faith that he received from his start in kindergarten through 5th grade, helped guide him through his middle school years, his family's move to Alabama, and then his high school years.

Braeden will attend Shelton State Automotive Technology Program, in partnership with Mercedes Benz.
