

St. Bernadette School Alumni

Congratulations!

Ethan Henry

Fisher Catholic Class of 2018

Ethan began his Catholic Education at St. Bernadette School. Ethan fondly says that St. B was a “great school” to attend. If he had to pinpoint one favorite memory, it would have to be 5th grade Camp — he remembers having a lot of fun! Ethan believes his Catholic Education grounded him in his faith, and knowing who he is as a person.

Ethan plans to attend OU-Athens and study either Civil or Mechanical Engineering. Ethan has enjoyed being an altar server at St. Joseph Church, Sugar Grove. He is a 4-year Letterman in both soccer and track & field.

As his Junior service project, he and 2 classmates offered a free, week-long, soccer clinic for young students. Participants learned the game of soccer, and how the sport and Scripture intertwines in all our decisions, both on and off the soccer field. The clinic and the project were both rewarding and successful.
