Lexie Matheney

Lexie's recent quote in the Lancaster Eagle Gazette says a lot about her character:

"....taking pride in yourself and your community and wanting to represent it in a positive manner. ...It is about being remembered as a great teammate more than being remembered as a great player. "

Lexi Matheney graduated from Lancaster High School, where she leaves a legacy for younger players to follow.

She excelled in softball, basketball and volleyball.

LEG reporter Tom Wilson recently stated..."regardless of any personal success she had, Lexie always wanted to put the team first. It has always struck me how humble and genuine she is. "
