...celebrating Christ's love.

March 13, 2020

Dear St. Bernadette School Community,

Governor DeWine issued an executive order on Thursday, March 12th, closing all schools in Ohio. St. Bernadette School, including preschool will be closed from March 16th through April 3rd (3 weeks).

St. Bernadette School had designated the week of March 23rd as our Spring Break. At this time, teachers are working to make available to students two weeks of lessons that will provide our students an education through alternate means. We will continue to focus on learning and supporting our students.

We will be using online resources, such as: IXL, Raz Kids, Spelling City, Brain Pop and Brain Pop Jr. (only available during school hours (8:00-2:00)). Our students will also have activities, which resemble the "Blizzard Bags" containing lists of assignments and worksheets. Teachers will provide students with assignment information and passwords. Please be sure to check book bags. Teachers will also provide this information to parents through email.

Attached, please find a letter from our Superintendent, Adam Default regarding the decision to follow the Governor's orders to close schools. We will keep you informed of any changes or additional information.

Sincerely in Christ,

Pamela Eltringham
Principal
St. Bernadette School
