Parent Name: _____ Phone Number: _____

Dear Parents,

One of the best ways to build fond childhood memories and strong bonds between home and school is to volunteer at your children's school! Kids love it when families participate! Here at St. Bernadette we have an amazing variety of opportunities for you to become involved. Thank you in advance for your support!

In order for us to find the best participation/volunteer fit for you,
Please describe your involvement with any local community service organizations:

- _____
- _____

Please let us know how many volunteer hours you are willing to offer:

- Less than 3 hours per month
- 3 to 5 hours per month
- I am still undecided about my participation/volunteer commitments but would like to be informed as opportunities arise.

Please refer to the SBHS Volunteer Handbook (on the website) for descriptions of each of the following participation/volunteer opportunities. Where can you help? Mark where you would like to volunteer.
